

ZAHIDA

Web Designer | III Year Computer Engineering Student

Email: zahidajmi1809@gmail.com | Phone: +91 9711464870

Professional Summary

I am a passionate third-year Computer Engineering student with a strong foundation in programming and web development. Recently, I completed a Full Stack Python certification that enriched my skills in building dynamic, scalable web applications. I am dedicated to continuous learning and the exploration of new technologies.

Education

Jamia Millia Islamia

University Polytechnic

2022-2025

Diploma in Computer Engineering

Ist Topper of First year – 90.2%

Jamia Senior Secondary School

- XII Standard

2021-2022

Result – 92%

- X Standard

2019-2020

Result – 84%

Certifications

Full Stack Python Development

Comprehensive course covering Python, Django, and full stack development.

Skills

- Front-End: HTML, CSS, JavaScript, React
- Back-End: Python, Django
- Programming Languages: Python, C, C++, JavaScript
- Database Management: MySQL, SQLite

-Other: OOPs, Computer Architecture, Operating system

Projects

- **Sign-Up and Login System**

A secure Django-based web application that allows users to create accounts and authenticate themselves, leveraging Django's built-in authentication features.

- **CRUD Web App**

A full-featured CRUD (Create, Read, Update, Delete) application built with Django, providing a user-friendly interface for data management.

- **Dice Rolling Game**

JavaScript-based dice rolling simulator that allows users to roll three dice with a single button click.

- **Calculator**

A simple arithmetic web app supporting basic operations, with an interactive, real-time calculation interface.

- **Digital Clock**

A JavaScript-powered clock displaying real-time hours, minutes, and seconds with a clean, interactive interface.

- **Portfolio Website**

A professional personal website showcasing my skills and projects, built with HTML, CSS, and JavaScript and hosted on GitHub Pages.
